REMARKS

This is a supplemental response to Applicants response of 27 February 2008 to the currently outstanding Final Official Action in the above-identified application dated 28 December 2007.

It has been noted since the filing of Applicants response to the currently outstanding Final Official Action that the wording of the amendment that appears at the end of Claim 1 as proposed in that response may be somewhat unclearly phrased. Accordingly, this Supplemental Amendment is being filed for the purpose of clarifying the above-mentioned Amendment After Final Rejection.

For each and all of the foregoing reasons, entry of the foregoing Amendment pursuant to the terms of 37 CFR 1.116, reconsideration and allowance of all of the claims present in this application after the entry of this Amendment in response to this communication are respectfully requested.

Respectfully submitted,
